Parents and guardians are encouraged to participate through parent-teacher conferences, school events, volunteer opportunities, PTO involvement, SIC meetings, and regular communication with teachers and administrators.

As a STEM Magnet school, Jackson continues to provide students with engaging learning experiences that prepare them for success both inside and outside the classroom.

This year, we celebrated many accomplishments, including student academic growth, outstanding performances in athletics and the arts, and increased opportunities for leadership and service. Our teachers and staff remain dedicated to creating a safe, supportive, and challenging environment where every student can thrive.

The SIC welcomes all families and community members to become involved next year. We value every voice and believe that together we can continue making Jackson STEM Magnet Middle School a place of excellence and opportunity.

Thank you for your continued support of our students, staff, and school community. We look forward to another successful year ahead.

Jackson STEM Magnet Middle School

SIC Report to the Parents 2025-26
