AdvancED

During the 2017-2018 school year, Lake View Elementary engaged in the AdvancED Performance Accreditation process to examine the institution as a whole. Programs, policies, cultural content, learning conditions and practices were examined. A set of rigorous research-based standards and evidence-based criteria was used. Lake View Elementary received full accreditation from AdvancED.

Public Notice

Dillon School District Four will provide equal employment opportunities and educational opportunities to all persons without regard to race, color, creed, sex, age, disability or national origin. Dillon School District Four will make reasonable accommodations for an individual who is otherwise qualified for a position unless the accommodation would impose an undue hardship upon the district. Persons with disabilities who need additional accommodations should make their requests for reasonable accommodations in writing to the Section 504 Coordinator. Inquiries and complaints may be made to the following: Title IX Coordinator and Americans with Disabilities Act (ADA) Coordinator, Dr. Polly Elkins; Section 504 Coordinator, Jayne C. Lee; and General Concerns, Mr. Ray Rogers. All of the above are housed in the district office. Address: 1738 Highway 301 N., Dillon, South Carolina 29536. Phone 843-774-1200.

Lake View Elementary School

**2018-2019
School Summary Report**

April 4, 2019

Dear Parents and Community Members,

The School Improvement Council has prepared this report to highlight Lake View Elementary's accomplishments and to review student achievement data.

Each year, the School Improvement Council assists in implementing and evaluating the School Renewal Plan, writing the annual update, writing the annual Report to the Parents, and writing the school narrative for the annual School Report Card.

During the 2017-2018 school year, Project Lead the Way was implemented in fifth grade. This program supports STEM (Science, Technology, Engineering, and Math) learning in the classroom. Problem Based Learning has also been incorporated in lessons in the classroom. Through Project Lead the Way and Problem Based Learning, students are engaged in real world problem solving and are using hands on learning activities and critical thinking activities to become future world class leaders.

At Lake View Elementary, character education is woven throughout every part of the school day. Each morning begins with a positive character message from the school principal. This is followed by classroom community meetings while the students and classroom teacher eat breakfast together. Throughout the day, teachers foster integrity, respect, perseverance, good citizenship, and a strong work ethic in their classroom activities and lessons. Students are rewarded for demonstrating good life skills through the use of the Terrific Kids Program sponsored by the Kiwanis Club of Dillon.

If you have any questions about the information in this report, please call the school office at (843)759-3003 and ask to speak to the principal, Kimberly Walsh.

Sincerely,

SIC Members

Mission Statement

The mission of Lake View Elementary School is to academically prepare all learners to be creative, collaborative problem solvers by integrating rigorous standards in an optimal learning environment.

State Accountability Rating System

The South Carolina Department of Education (SCDE) released school report cards, which reflect data elements and student performance data from the 2017-2018 school year. The report card includes ratings for academic achievement, preparing for success, student progress, school quality and an overall rating. The state rating scale for the overall rating is below.

South Carolina Elementary School Overall Ratings Points

Excellent	61-100
Good	53-60
Average	42-52
Below Average	34-41
Unsatisfactory	33 and Below

Lake View Elementary School Ratings

Overall Rating	Average (52 Points)
Academic Achievement	Average
Preparing for Success	Average
Student Progress	Average
School Quality	Excellent

State Accomplishments in Regards to Certification and Compliance

- Lake View Elementary School remained in compliance with all applicable standards in accordance with South Carolina Statutes, Regulations, and Program Guidelines.
- Lake View Elementary School is an AdvancED Accredited School.

Profile of the South Carolina Graduate

Lake View Elementary School is helping students develop the World Class Knowledge/Skills and Life and Career Characteristics identified on the *Profile of the South Carolina Graduate* by teaching the South Carolina College-and Career-Ready Standards for English Language Arts and mathematics. Faculty and staff members are encouraging students to develop strong interpersonal skills, work in teams, and to persevere when tasks get difficult. Students are also being challenged to use critical thinking skills and to problem solve in real world situations.

South Carolina College-and Career-Ready Assessments (SC READY)

Percentage of Students Scoring “Meets or Exceeds” in 2018

Subject	Lake View Elementary	State
English Language Arts	38.70%	41.70%
Math	35.30%	44.60%

South Carolina Palmetto Assessment of State Standards (SCPASS)

Percentage of Students scoring “Met or Exemplary” in 2018

Subject	Lake View Elementary	State
Science	46.20%	49.40%
Social Studies	67.20%	68.60%

Lake View Elementary Highlights

- LVE held the second annual Million Father March Day. Fathers, grandfathers, uncles and male community members came out to greet the students as they arrived at school. After a light breakfast, these men visited classrooms to encourage students to stay in school and do their very best at all times.
- All students participated in the Veterans Day Program. Local veterans were recognized for their service. After the program, students were able to meet and thank the veterans for their service.
- Muffins for Moms was held the morning of the Winter Festival Presentation. Coffee, juice, and muffins were served in the Media Center.
- PTO sponsored several activities to increase parental/community involvement. A Fall Festival was held in November. Parents, grandparents, and local community groups sponsored different booths. All grade levels participated in the Fall Festival.
- Patriot’s Point provided the fifth grade teachers with a website to use for free supplemental materials to aid in the classroom. Lessons were provided for the students through a site visit to the school and through live stream. The culminating activity was a free field trip to Patriot’s Point.
- All third, fourth, and fifth grade students received their own computer tablet to use at school.
