Inquiries and complaints may be made to the following: Title IX Coordinator – Chris Ray; Americans with Disabilities Act (ADA) Coordinator – Brandi Jackson; Section 504 Coordinator – Michael McRae; and General Concerns – D. Ray Rogers, Superintendent. All the above are housed in the district office. Address: 1738 Highway 301 N., Dillon, South Carolina 29536. Phone 843-774-1200.

## Report Card Rating

State and Federal law require public schools to release report cards to the public each year. The South Carolina State Department of Education Oversight Committee released school and district report cards as part of the state's merged state and federal accountability system.

District and school report cards not to be confused with student report cards, provide information about each school and district, including test performance, teacher qualifications, student safety, awards, parent involvement and much more.

For more information, you may view SC district and school report cards at [www.screportcards.com](http://www.screportcards.com).

## School Goals

- Increase student achievement.
- Utilize collaborative planning teams to explore research-based strategies, plan for instruction, and meet the needs of all learners.
- Place greater emphasis on critical thinking skills, higher student expectations, and problem solving.
- Increase opportunities for parents and community stakeholders to actively participate in planning school goals.
- Maintain a school climate which is safe and conducive to learning.
- Align instruction to the SC College-and Career-Ready standards in ELA and Mathematics.
- Participate in and implement research-based professional development to improve teaching practices.
- Implement a rewards-based plan for improving academic achievement and behavior.
- Analyze test data from ELA and math iReady and state testing data to determine specific ELA and math standards strengths and weaknesses.
- Create opportunities for parents to become familiar with the school setting, become knowledgeable about school programs, and be active participants in their child's academic career.
- Implement social and emotional support in classes to improve outcomes for the whole child.
- Provide additional instruction as needed/or requested by students and parents (EL services, exceptional children's programs, in-school tutoring, etc.).
- Continue to use a PBIS program to reward academic performance, attendance, safety, and positive behavior.
- Increase test results in Meets and Exceeds categories on ELA and math SC READY state assessments.
