Dear Parents and Community Members,

The School Improvement Council has prepared this report to highlight Lake View Elementary's accomplishments, to review student achievement data, and to identify goals set for this school year.

Each year, the School Improvement Council assists in implementing and evaluating the School Renewal Plan, writing the annual update, writing the annual Report to the Parents, and writing the school narrative for the annual School Report Card.

If you have any questions about the information in this report, please call the school office at 759-3003 and ask to speak to the principal, Kimberly Walsh.

Sincerely,

SIC Members
