

2021-2022 Goals and Strategies for School Improvement

1. Continue the new South Carolina Teaching Standards (SCTS) model to allow teachers to gain knowledge related to state expectations for student and teacher growth.
2. Continue the South Carolina Teaching Evaluation process with the use of Student Learning Objectives which are content-specific, grade level learning objectives that are measurable, focused on growth in student learning, and aligned to curriculum standards.
3. Continue collaborative groups to refine curricula as well as design formal and informal assessments that reflect the higher levels of the Depth of Knowledge.
4. Plan and implement a 5th grade end of the year promotion program.
 - a. Field Trip, to explore and expose students to academically enriched activities that promote student learning and growth.
 - b. Dance, to promote and celebrate positive behavior and academic success.
 - c. Promotion Night, to introduce parents and students to the requirements for middle school and celebrate student achievements.
5. Develop department actions plans aimed at improving student performance, discipline, and attendance based on the analyses of assessment and demographic data.
6. Continue to use the Measure of Academic Performance data to drive instruction and determine scheduling.
7. Continue to use the MTSS model to implement an integrated data-based problem solving program for social-emotional outcomes across content areas, grade levels and tiers using a SEL program for example, Harmony or Ripple Effects.
8. Continue to use PBIS (Positive Behavior Intervention System) incentive program to reward academic performance, attendance, wellness, and success.
9. Provide professional development opportunities for teachers in content, assessment, methodology, and technology.
10. Establish lines of communication with parents through School Messenger, Ed-Line WebPages, weekly telephone calls, and conferences.

Annual Act 135 Summary Report to the Community

April 26, 2022

It is the mission of the LVES School Improvement Council to serve as a school advisory council that involves parents and community members who will support and assist the school's administration and teachers in their innovative efforts to improve the overall quality of the school for students. Lake View Elementary School provides a school community that has a positive culture and climate where every student can explore and expand their gifts and talents.

Vision:

The vision of Lake View Elementary School is to develop world class South Carolina graduates that are college and career ready in order to be lifelong, active contributors to society.

Mission:

The mission of Lake View Elementary School is to academically prepare all learners to be creative, collaborative problem solvers by integrating rigorous standards in an optimal learning environment.

Goal:

At Lake View Elementary School, it is our goal to build positive relationships that support the A Positive System – Positive Attitude, Positive Attendance, Positive Academics, and Positive Activities that will promote and support student academic and social growth.

Future:

In three years, Lake View Elementary School will be leading change for educating students with high expectations for all students, rigorous and relevant curriculum, healthy relationships, and activities and experiences that enhance and enlighten student academic and social success.

With the vision, mission, goal, and future at the center piece, LVES is proud to present to parents, teachers, students, and community members the SIC annual report.

Annual Act 135 Summary Report to the Community Cont.

Curriculum planning and the implementation of standards-based instruction has continued to positively impact student achievement. A comprehensive testing plan for the 2021-2022 was developed using data from state and district mandated tests: PALS, KRA, MAP, SC Ready, and SCPASS. Lake View Elementary uses diagnostic student data from MAP testing to design an individual learning plan for each student. Students work on their individual plan through the use of iReady, an online assessment and instruction program that helps teachers provide all students a path to proficiency and growth in reading and mathematics. Programs were also provided with interventions to assist at-risk students: tutoring, mentoring, and the 21st Century Grant (Save the Children In/After School Program). Lake View Elementary School along with the PTO has also provided several family nights to assist students and parents.

Lake View Elementary School serves students in grades 4K through 5th grade who all have gifts and talents to be nurtured, cultivated, and developed. Mrs. Tamara Nance-Bethea is the new principal. With a focus on rigor, relevance, and relationships, Lake View Elementary School will continue its commitment to enhance and improve the academic performance of every student. It is the #1 Goal to give every student the necessary tools that will promote, encourage, and support student academic and social growth. Wee Wild Gators (WWG) are Working While Growing!

2021-2022 Lake View Elementary Highlights

1. LVES established the following new clubs for students to participate during and after school: Chorus, Crafty Kids, Jr, BETA Club, STEM, Student Council, Tinikling, WWG Morning News, and Yearbook.
2. December 2021 - All LVES students participated in the Holiday Program. Students presented plays, skits, song, and speeches to their parents and community members.
3. January 2022 - LVES Jr. Beta Club competed at the 2022 BETA Club convention, winning 2nd place in Marketing and Communications, 3rd place in the Elementary Quiz Bowl, 3rd place Three Dimensional Design, and 4th place in Painting.
4. February 2022 - LVES was engaged in a Family Literacy Night, celebrating Multicultural Education. Students presented poems, presentations, writings and drawings reflecting different cultures. Mr. Felton Eddy, retired college professor of African Studies, presented his Traveling African Museum.

Mr. Adam Williams - Elected Teacher | Mrs. Cathy Lovett - Elected Teacher
Mrs. Melissa Buffkin - Teacher of the Year
Ms. Frances Baker, Title 1 Facilitator - Ex-officio
Mrs. Tamara Nance-Bethea, Principal - Ex-officio

Profile of the South Carolina Graduate

Lake View Elementary School is helping students develop the World Class Knowledge/Skills and Life and Career Characteristics identified on the Profile of the South Carolina Graduate by teaching the South Carolina College- and Career-Ready Standards for English Language Arts and mathematics. Faculty and staff members are encouraging students to develop strong interpersonal skills, work in teams, and to persevere when tasks get difficult. Students are also being challenged to use critical thinking skills and to problem solve in real world situations.

SC State Assessment Data English Language Arts / Math / Science 2021 SC READY & SCPASS South Carolina Comparison
