**2020-2021
School Summary Report**

April 19, 2021

Dear Parents and Community Members,

The School Improvement Council has prepared this report to highlight school accomplishments and to review student achievement data.

Each year, the School Improvement Council assists in implementing and evaluating the School Renewal Plan, writing the annual update, writing the annual Report to Parents, and writing the school narrative for the annual School Report Card.

During the 2019-2020 school year, our school reinforced several balanced literacy components to promote early reading success. We also implemented weekly STEM activities into our curriculum using our science lab. These lessons are designed to help students engage in real world problem solving and hands-on experiences.

At Lake View Elementary, character education and positive behavior are promoted through our PBIS Rewards Programs. Students are rewarded daily for following the PBIS Matrix’s guidelines..

Please direct any questions to Dr. Kimberly Walsh, 843-759-3003.

Sincerely,

SIC Members

Mission Statement

The mission of Lake View Elementary School is to academically prepare students to be creative, collaborative, problem solvers by integrating rigorous standards in an optimal learning environment.

State and Federal Accountability Rating System

On March 27, 2020, the U.S. Department of Education approved South Carolina's request to waive spring statewide assessments, accountability ratings, and certain reporting requirements in the Elementary and Secondary Education Act (ESEA) for the 2019-2020 schoolyear due to widespread school closures related to the novel Coronavirus disease (COVID-19). Test data and school Report Card data included in this report is based on 2018-2019 school performance results.
