

Lake View Elementary School

2015-2016 School Summary Report

February 9, 2016

Dear Parents and Community Members,

The School Improvement Council has prepared this report to highlight Lake View Elementary's accomplishments, to review student achievement data, and to identify goals set for this school year.

Each year, the School Improvement Council assists in implementing and evaluating the School Renewal Plan, writing the annual update, writing the annual Report to the Parents, and writing the school narrative for the annual School Report Card.

During the spring of 2015, our students took the new ACT Aspire state assessment in ELA and math. This new assessment was very different from the previous SC PASS state assessment. One major difference was all parts of the assessment were timed. In the past, students were not timed and could take as much time as they needed. The school goals had been set for SC PASS and therefore, there were differences in the test scores for ACT Aspire.

If you have any questions about the information in this report, please call the school office at 759-3003 and ask to speak to the principal, Kimberly Walsh.

Sincerely,

SIC Members

Lake View Elementary Accomplishments

- During the 2014-2015 school year, Lake View Elementary was named the Best Elementary School in the county by the Best of the Best Reader’s Picks.
- Lake View Elementary exceeded the state average on SCPASS in Social Studies.
- Lake View Elementary exceeded the average of elementary schools with students like ours on both the SCPASS science and social studies assessments.

Lake View Elementary Highlights

- An Individualized Instructional Plan was designed for every student through the Compass Learning Program, based on the students’ MAP test score data. Compass Learning is a web based program, and therefore students can access their individualized plan at home.
- Students continue to receive a free breakfast in the classroom every morning. This ensures all students begin their school day with a nutritious breakfast and will enable them to perform at their maximum potential for learning.
- The library continues to conduct Library Late Night once a month. Parents and students may come in and use the computers to conduct research or check out books together.
- PTO Board Members are actively involved in school events and support many student and teacher activities.

School Goals for 2014-2015

Subject	Goal	Actual Percentage
Math	80% will score Met or Exemplary as measured by SC PASS	44.5% Scored Exceeded or Ready as measured by ACT Aspire
