STATE RATING HISTORY*

Past Year’s Ratings	<u>2012</u> Average	<u>2013</u> Good	<u>2014</u> Average
---------------------	------------------------	---------------------	------------------------

*Based on state law, schools and districts will not be rated for state accountability purposes until fall 2018.

Public Notice

Dillon School District Four will provide equal employment opportunities and educational opportunities to all persons without regard to race, color, creed, sex, age, disability or national origin. Dillon School District Four will make reasonable accommodations for an individual who is otherwise qualified for a position unless the accommodation would impose an undue hardship upon the district. Persons with disabilities who need additional accommodations should make their requests for reasonable accommodations in writing to the Section 504 Coordinator. Inquiries and complaints may be made to the following: Title IX Coordinator and Americans with Disabilities Act (ADA) Coordinator, Dr. Polly Elkins; Section 504 Coordinator, Amanda Hayes; and General Concerns, Mr. Ray Rogers. All of the above are housed in the district office. Address: 1738 Highway 301 N., Dillon, South Carolina 29536. Phone 843-774-1200.

Lake View Elementary School

2017-2018 School Summary Report

Dear Parents and Community Members,

The School Improvement Council has prepared this report to highlight Lake View Elementary’s accomplishments, to review student achievement data, and to identify goals set for this school year.

Each year, the School Improvement Council assists in implementing and evaluating the School Renewal Plan, writing the annual update, writing the annual Report to the Parents, and writing the school narrative for the annual School Report Card.

During the 2016-2017 school year, materials were ordered for a new program called Project Lead The Way. This program supports STEM (Science, Technology, Engineering, and Math) learning in the classroom. Problem Based Learning has also been incorporated in lessons in the classroom. Through Project Lead The Way and Problem Based Learning, students are engaged in real world problem solving and are using hands on learning activities and critical thinking activities to become future world class leaders.

At Lake View Elementary, character education is woven throughout every part of the school day. Each morning begins with a positive character message from the school principal. This is followed by classroom community meetings while the students and classroom teacher eat breakfast together. Throughout the day, teachers foster integrity, respect, perseverance, good citizenship, and a strong work ethic in their classroom activities and lessons. Students are rewarded for demonstrating good life skills through the use of the Terrific Kids Program sponsored by the Kiwanis Club of Dillon.

If you have any questions about the information in this report, please call the school office at (843)759-3003 and ask to speak to the principal, Kimberly Walsh.

Sincerely,

SIC Members

Mission Statement

The mission of Lake View Elementary School is to academically prepare all learners to be creative, collaborative problem solvers by integrating rigorous standards in an optimal learning environment.

FEDERAL ACCOUNTABILITY RATING SYSTEM

The South Carolina Department of Education (SCDE) released school report cards, which reflect data elements and student performance data from the 2016-2017 school year. This year's release is the third annual release where schools and districts did not receive ratings although student performance data was reported. A complete copy of the school's report card can be found at: <http://ed.sc.gov/data/report-cards/state-report-cards/2017>.

The three year "hiatus" on ratings, which occurred as a result of legislation passed by the SC General Assembly in 2014, is designed to allow teachers and schools time to adjust to new standards and assessments before a system is developed that merges the federal and state systems.

State Accomplishments in Regards to Certification and Compliance

- Lake View Elementary School remained in compliance with all applicable standards in accordance with South Carolina Statutes, Regulations, and Program Guidelines.
- Lake View Elementary School received an "All Clear" rating from the South Carolina Department of Education (SCDE) as reflected on the Annual Accreditation Report.

Profile of the South Carolina Graduate

Lake View Elementary School is helping students develop the World Class Knowledge/Skills and Life and Career Characteristics identified on the *Profile of the South Carolina Graduate* by teaching the South Carolina College-and Career-Ready Standards for English Language Arts and mathematics. Faculty and staff members are encouraging students to develop strong interpersonal skills, work in teams, and to persevere when tasks get difficult. Students are also being challenged to use critical thinking skills and to problem solve in real world situations.

2016-2017 Attendance Rates

Faculty	Students
95.2%	94.7%

Lake View Elementary Highlights

- LVE held the first annual Million Father March Day. Fathers, grandfathers, uncles and male community members came out to greet the students as they arrived at school. After a light breakfast, these men visited classrooms to encourage students to stay in school and do their very best at all times.
- All students participated in the Veterans Day Program. Local veterans were recognized for their service. After the program, students were able to meet and thank the veterans for their service.
- PTO sponsored several activities to increase parental/community involvement. A Fall Festival was held in November. Parents, grandparents, and local community groups sponsored different booths. All grade levels participated in the Fall Festival.
- Patriot's Point provided the fifth grade teachers with a website to use for free supplemental materials to aid in the classroom. Lessons were also provided for the students through a site visit to the school and through live stream.
- All third and fourth grade students received their own tablet to use at school.
