## **EAST ELEMENTARY SCHOOL** **February 12, 2014** **ANNUAL ACT 135 SUMMARY REPORT**

Dear Parents,

Our School Improvement Council has prepared this Annual Summary Report for you and the community members interested in our school. This report reviews improvements and accomplishments made last year, displays student achievement, and describes activities planned for this school year. It also displays tests scores and school report card ratings applicable to our school.

Act 135 and EAA require schools to develop a comprehensive five-year plan to improve the academic performance of students and educational services for students. We have developed a five-year School Renewal Plan with accountability elements and it has been submitted to the South Carolina Department of Education (SCDE).

If you have any questions or concerns about the information summarized here, please call Bobbie Walters, Principal at 774-1222.

## EAST ELEMENTARY VISION

East Elementary School serves pre-kindergarten through third grade and is home to approximately 600 students who present a variety of abilities, economic and cultural backgrounds, basic needs, and learning styles.

Listed below are a few school highlights of which we are proud:

- A tutor was hired to assist first through third grade teachers with at-risk students in reading.
- Science South and South Carolina Aquarium programs enhanced the third grade curriculum.
- School programs and a class science fair were conducted to enhance the science curriculum.
- Parent Nights were held every quarter to showcase grade level activities.
- Universal (free) breakfast was available for all students to ensure a good start to each day.
- SCPASS Parent Night was held to provide students and parents with information about the statewide 3rd grade assessment that would take place at the end of the school year.
- The Soliday Reading System was continued as a reading intervention program in grades 4K through three.
- DIBELS assessments were used to track progress in reading for at-risk students in 5K and first grade.
- Conducted service learning projects to encourage students to help others.
- Maintained 100% of faculty being Highly Qualified.
- Conducted weekly grade level planning sessions to ensure coverage of state standards.
- Computers for parent use were available in the media center and computer lab.
- Technology integration was increased through the use of twenty-nine Promethean Boards, two Activote and one Activexpression sets, twenty-nine document cameras, two portable computer labs, three portable iPad labs, and twenty-two Activslates.
- Recognized students for academic excellence at quarterly Awards Day Programs.
