**ANNUAL ACT 135 SUMMARY REPORT**

Dear Parents,

Our School Improvement Council has prepared this Annual Summary Report for you and the community members interested in our school. This report reviews improvements and accomplishments made last year, displays student achievement, and describes activities planned for this school year. It also displays tests scores and school report card ratings applicable to our school.

Act 135 and EAA require schools to develop a comprehensive five-year plan to improve the academic performance of students and educational services for students. We have developed a five-year School Renewal Plan with Accountability Elements and it has been submitted to the State Department of Education.

If you have any questions or concerns about the information summarized here, please call Bobbie Walters, Principal at 774-1222.

**EAST ELEMENTARY VISION**

The vision at East Elementary School is to live in a happy, caring and stimulating environment where children always recognize and achieve their fullest potential, so that they can make their best contribution to society.

**EAST ELEMENTARY MISSION STATEMENT**

The mission of East Elementary School is to develop responsible, life-long learners by providing a nurturing environment where the school and community work together to ensure success.

**ACCREDITATION**

East is fully accredited by the Southern Association of Colleges and Schools and the South Carolina State Department of Education. East has received State and National Awards for attaining twenty-five years of regional accreditation extended by the Southern Association of Colleges and Schools Commission on Elementary and Middle Schools.

**2010-2011 SCHOOL YEAR ACCOMPLISHMENTS**

East Elementary School serves pre-kindergarten through third grade and is home to over 580 students who present a variety of abilities, economic and cultural backgrounds, basic needs, and learning styles.

Listed below are a few school highlights of which we are proud:

- A coach/consultant was hired to assist 5K teachers in targeting at-risk students.
- School programs and science kits were used to enhance the science curriculum.
- Parent Nights were held every quarter to showcase grade level activities.
- Universal (free) breakfast was available for all students to ensure a good start to each day.
- PASS Parent Night was held to provide students and parents with information about the statewide 3rd grade assessment that would take place at the end of the school year.
- The Souday Reading System was continued as an early reading/reading intervention program in grades 4K and 5K.
- DIBELS assessments were used to track progress in reading for at-risk students.
- Conducted service learning projects to encourage students to help others.
- Maintained 100% of faculty being Highly Qualified.
- Conducted weekly grade level planning sessions to ensure coverage of state standards.
- Saxon Math was used as an intervention program for at-risk math students.
- Let's Play Learn was used in 4K classrooms to better prepare those students for early reading.
- Computers for parent use were available in the media center and computer lab.
- Technology integration was increased through the use of twenty-nine Promethean Boards, one Activote and twenty-nine document cameras and two portable computer labs.
