ACT 135 and the Southern Association of Colleges and Schools (SACS) mandate that schools develop a comprehensive plan to improve the academic performance of students and educational services for students. South Elementary developed a five year School Renewal Plan with accountability elements for 2012-2017. It was submitted to the State Department of Education. The school is currently completing goals and objectives for the second year of the new plan. The School Renewal Plan includes performance goals in four areas: Student Achievement, School Climate, Teacher /Administrator Quality and Certification/Professional Development.

#### MISSION STATEMENT

The mission of South Elementary School is to enable students to become productive, responsible, caring individuals by creating a positive educational environment that provides challenging, innovative, successful, learning experiences.

#### VISION STATEMENT

Our vision for South Elementary is to establish a place where parents, staff and community members work as one for the betterment of all children.
