

## ABOUT OUR SCHOOL

Latta Middle School serves approximately 350 students in grades 6-8. We continue to implement Positive Behavior Interventions and Supports (PBIS) to promote a positive climate while fostering strong character traits and essential life skills.

Additionally, the school offers a variety of after-school activities, including sports, student council, academic challenge team, theatre, and robotics, providing students with opportunities for engagement and growth beyond the classroom.

# STUDENT SUCCESS

Latta Middle School earned a “Good” rating on the 2024–2025 state report card, coming just a few points shy of an “Excellent” designation. We remain committed to raising the bar in both academics and behavior to ensure every student is prepared for success in school and in life.

To support this goal, we are providing targeted small-group instruction during the school day, along with an after-school math tutoring program. We also believe in recognizing and celebrating student achievements. Each quarter, we host celebrations for students who meet academic and behavioral expectations. These events have included extra break time, pizza, snacks, and school spirit items, making success both rewarding and fun.

## STUDENT ACHIEVEMENTS

- ✓ Two Junior Scholars
- ✓ Academic Challenge Team - Region Champions and State Runner Ups
- ✓ Community Service Project - National Junior Honor Society Can Food Drive (collected 3,239 cans)
