

SES Notable Achievements

- “We LOVE, we LEARN, we LEAD” was our theme and focus this year as we looked at building a relationship-driven school culture. Our goal was to incorporate *Capturing Kids’ Hearts* as a way to increase social-emotional wellness among our students and staff.
- Our Robotics team, the Turtlebots, was the only DD2 Elementary school to qualify for the State level competition.
- Began a Community Partners incentive program to recognize business partners who give time and money to support our school.
- Started a “Kindness Campaign” to encourage random acts of kindness at our school.
- Continued “All Pro Dads” led by our principal to teach character traits that help build strong families and relationships in and outside school. Also continued Leading Ladies and the Sea Turtle Breakfast club to reach SES kids who need a strong adult mentor in their life.
- Continued “Backpack Buddies” and our “Blessing Box” to provide meals to our school family and community.

Mission Statement:

To educate and empower students to reach their fullest potential

The History of Summerville Elementary School

Summerville Elementary sits in beautiful, historic downtown Summerville, SC. The school was built in 1954. It has been operating for 70 years and has only had 6 principals. We currently serve approximately 570 three-year-old through fifth grade students.

Our school theme this year was, “We LOVE, we LEARN, we LEAD” which helped us focus on ways we build community within our school as we learn together and grow student leaders. Several churches volunteered as readers and completed beautification projects around our campus. We added an electronic sign in front of the school which helps us to recognize Community Partners and inform our school parents and community about upcoming events.

SES staff was trained in *Capturing Kids’ Hearts*, a district initiative which creates for staff and students a common language of social-emotional wellbeing, student connectedness, and helps build a relationship-driven culture. Aspects of this program are shared on the morning show and at monthly faculty meetings.

SES enjoyed hosting several parenting and student-centered events such as: Meet the Teacher, Open House, PTA Meetings and Performances, Book Fairs, Fall Festival, Grandparent Day, Ball for All, STEAM Night, All Pro Dads, Awards Days, Career Fair, Sleep Tight Sundays, Leading Ladies, Sea Turtle Breakfast Club, and Terrific Kid. All events continue to be well attended and connect our staff and students with our parents and families.

SES DATA Points of Pride for 2023-2024

DD2 continued MAP testing for Reading and Math 3 times a year for all students K– 5th grades. Also teachers administered District Formative Assessments for Reading and Math to deliver and assess rigorous, standards-based lessons.

SES received an EXCELLENT report card rating from the SC Department of Education for the 3rd year in a row!
We are the only DD2 Title One school to achieve this recognition!

Reading Data...

SCReady
3rd– 71% Meets/Exceeds– +17%
4th– 69% Meets/Exceeds– +3%
5th– 75% Meets/Exceeds– +13%

Math Data...

SCReady
3rd– 56% Meets/Exceeds– +1%
4th– 62% Meets/Exceeds– -3%
5th– 72% Meets/Exceeds– +19%

SIC Improvement Goals

GOAL: Student Achievement

***By June 2024, K-5 students will show a decrease of 4% or more in the areas of low-to-low average on Reading and Math MAP from Fall to Spring**
Strategies: MAP Data and Formative Assessments to drive instruction, Differentiated instruction, Reading Interventions for 1st, 2nd, 3rd, 4th and 5th grades, Math Support in 2nd, 3rd, 4th and 5th grades. Math and Reading enrichment for students exceeding expectations in K, 1, and 2. Reading Mentors in K5.

GOAL: School Climate

***By June 2024, the school will add at least 3 more community partners (starting off from a baseline of 21 going to 24 or more) to help create and sustain a positive and inclusive learning environment.**

***By June 2024, the school will reduce the number of students with 10 or more total absences from 54 students (10% of the student population of 529) down to 42 students (or 8% of the student population).**

Strategies: Set up Community Partners incentive program with ways to recognize our partners through social media and our electronic sign. Weekly reminders are sent out to parents to remind them about the importance of attendance and being on time for school. Students are recognized at Award Ceremonies for perfect attendance. We reach out to our at-risk populations through Leading Ladies, Sea Turtle Breakfast Club, All Pro Dads.

~The School Improvement Council provides valuable suggestions and input to assist SES in meeting these goals.
