Student Achievement Goals

By spring of 2027, the percentage of North Aiken Elementary students in grades three through five who score meets or exceeds will increase from 27.9% to 56.16% in ELA and mathematics as measured by SC Ready.

By spring of 2027, North Aiken Elementary students’ progress will increase from 14.29 to 40% as measured on their SC Ready performance in ELA and mathematics.

We remain deeply committed to student achievement and are proud to share the steady, meaningful progress our students continue to make. Through the dedication of our staff, students, and families, our school earned an **EXCELLENT rating in student growth** on our School Report Card. This recognition reflects the hard work happening in our classrooms every day and our ongoing focus on helping every child grow and succeed.

Community Involvement

Community Volunteers

We are incredibly grateful for the organizations and individuals who generously give their time, energy, and support to our school. Their commitment to our students and staff makes a meaningful difference each day, helping to create a positive, supportive learning environment. Because of them, our school community is stronger, more connected, and full of opportunity.

We want to thank them for being such an important part of what makes our school special.

Community Involvement

Donations

We are appreciative of the generous donations contributed throughout the year. These gifts—both large and small—have directly supported student learning, enriched classroom experiences, and provided opportunities that would not have been possible otherwise. Their kindness and belief in our school truly reflect the strength of our community, and we are deeply thankful for their continued support.
