"Ensuring Every Student's Success"

Mission Statement

The educational mission of North Aiken Elementary is to provide each student with instruction using best practices based on scientific research through a challenging curriculum, to assist in the development of mind, character, and overall well-being; while actively welcoming and encouraging parent and community involvement in the education of our children.

Learner Standards

North Aiken Elementary School parent, teacher and community representatives developed the following five Learner Standards:

- Students will demonstrate competency on grade level standards.
- Students will develop written, oral, and technological skills so that they can communicate effectively.
- Students will develop the life skills necessary to maintain a healthy quality of life.
- Students will display respect for themselves, others, and the learning process.
- Students will acquire knowledge about and display respect for students with special needs.
