### **Purpose of Report:**

South Carolina statute (Act 135 of 1993) requires each of the state's School Improvement Councils to publish and distribute a *Report to the Parents* each year. This report shares the challenges and successes of the school, students, parents, and teachers for the current school year.

If you have questions about the information summarized in this report, please do not hesitate to contact our SIC chairperson or school administrators.

SIC/Title I meetings are open to the public. Dates and times are printed in our monthly parent newsletter and in the parent calendar. We cordially invite you to attend.
