Principal's Message

Dear Mustang Family,

This school report will provide you with the continued commitment we have at GMS ensuring every student we serve will learn in a safe, structured learning environment that promotes student achievement and character development.

We know healthy relationship building is the foundation for a safe and successful learning environment. That is why we are constantly working to strengthen partnerships with our parents, business partners, and community members.

In February, a six-foot chain link fence was installed around the courtyard/gym area to provide a secure.

This summer, the car rider loop will be restriped to increase safety measures.

We are continually focused on college and career readiness by:

-Providing all students with career/college awareness information/interactive lessons led by our guidance staff and business professionals

-Providing extended academic opportunities during lunch-courtyard and morning-courtyard academic enrichment.

-Increasing academic/career exposure to all interested students off campus in cooperation with Trident Tech, Dorchester Career School, and SPAWAR.

If you have any questions or comments, please contact Sheri Farrell (steshe030896@yahoo.com) SIC Chair, or Will Wilson, Principal, at 843-871-3150.

The Gregg Middle SIC meets on a monthly basis. All meetings are open to the public, and we cordially invite you to attend. Thank you for your continued support.

Sincerely,
Will Wilson, Principal
Sheri Farrell, SIC Chair
