Principal's Message

This school report will provide you with the continued commitment we have at GMS ensuring every student we serve will learn in a safe, structured learning environment that promotes student growth, achievement and character development.

We know healthy relationship building is the foundation for a safe and successful learning environment. That is why we are constantly working to strengthen partnerships with our parents, business partners, and community members.

In October, we hosted a community social (Pastries with Parents) at GMS to develop relationships between the community and GMS leadership.

In February, an 8th grade parent information night was held. This event provided an opportunity for parents of 8th graders to meet with high school administrators in preparation transitioning to high school.

This summer, we will encourage all parents and guardians to use our online registration program to streamline the registration process for a more efficient registration experience.

We are continually focused on college and career readiness by:

- Providing all students with career/college awareness information/interactive lessons led by our guidance staff and business professionals
- Providing extended academic opportunities during lunch-courtyard and morning-courtyard academic enrichment.
- Increasing academic/career exposure to all interested students off campus in cooperation with Trident Tech, Dorchester Career School, and SPAWAR.

If you have any questions or comments, please contact Erica Roberts (sunya94@yahoo.com) SIC Chair, Don Baus (dbaus@sganwdesign.com) SIC Chair, or Will Wilson, Principal, at 843-871-3150.

The Gregg Middle SIC meets on a monthly basis. All meetings are open to the public, and we cordially invite you to attend. Thank you for your continued support.

Sincerely,
Will Wilson, Principal
Don Baus, SIC
Erica Roberts, SIC
