Mission Statement

Fort Dorchester Elementary School is committed to guiding and challenging each student to succeed in life.

Vision Statement

All students will be engaged in the learning process and challenged to meet their highest potential.

Dear FDES Parents,

This School Summary Report has been prepared for you by the Fort Dorchester Elementary School Improvement Council and our administrators. Once again, we took the 2017-2018 school year by the TAIL... "TAILS from the Lowcountry" to be exact. Our school motto encompasses everything to help make our students successful life-long learners - Teamwork, Achievement, Integrity, Leadership, and Service.

The students at FDES strive to build a community of learners through teamwork with peers, teachers, parents, and community members. Our students and families come from 14 countries and speak 23 different languages. The diverse student backgrounds provide for unique opportunities for Teamwork! Teachers strive to assist student academic success through well planned, explicit direct instruction. Teachers, Administrators, and parents work together to create data-driven decisions to enhance student achievement. Our focus on Responsive Classroom has set high expectations for all of our students, and our students respond with enthusiasm and integrity! Through a school-wide Responsive Classroom initiative, we use Morning Meetings to build strong relationships! Common language and procedures assist in creating an environment of consistency throughout the school. One of our goals at FDES is to instill leadership qualities in all of our students. FDES continues to provide numerous opportunities for our students to take on leadership roles in our school, from Gator Greeters and Book Buddies to our WGGN staff, who produce and star in our school's morning news show. We've continued the practice of each grade level participating in their own service project, in addition to our school-wide project of Jump rope for Heart, Boosterthon, and Relay for Life.

Fort Dorchester Elementary School is not only a Palmetto's Finest school, but also a "Cool School" who is taking each school year by the TAIL!! Teamwork... Achievement... Integrity... Leadership... Service!! What a COOL place to learn!

Thank you for taking time to study this report

2017-2018 Strategic Plan Goals

Student Achievement

- Increase student achievement scores in core academic subjects on standardized achievement tests and narrow the achievement gap between all subgroups at FDES.
- Continue implementation of School Reading Plan in compliance with the SC State Reading Initiative
- Continue implementation of SC State Standards(K-5).
- Continue to use assessment data to guide instruction.
- Continue implementation of a comprehensive Pyramid of Intervention.

Teacher Quality

- Ensure that 100% of teachers who teach core academic subjects will be highly qualified.
- Continue to provide staff development for interpreting data and analyzing results to review progress to drive instruction.
- Provide staff development for SC Reading Initiative.

School Climate

- Continue to improve school culture and climate by developing home/school relationships.
- Continue Wellness Committee to help promote healthy choices for faculty and families.
- Promote community stakeholder involvement in the school through outreach events.

2018-2019 Strategic Plan Goals

Student Achievement

- Increase student achievement scores in core academic subjects on standardized achievement tests and narrow the achievement gap between all subgroups at FDES.
- Increase the percentage of students reading on grade level (K-5) by 2% each year. Grade Level proficiency will be defined as: On grade level for primary grades (K-1) is defined as performing at the designated DRA2+ levels that are determined by the district. Kindergarten-Independent Level 4, 1st-Independent Level 18. On grade level for elementary/secondary (2-5) is defined as performing at the 36th percentile or above on the Reading Inventory.

Teacher Quality

- Increase the number of staff members who hold advanced degrees and endorsements.
- Continue to provide staff development for interpreting data and analyzing results to review progress to drive instruction.
- Provide staff development for SC Reading Initiative.

School Climate

- Improve school culture and climate by developing home/school Relationships.
- Continue to improve school culture and climate among teachers, students and parents to promote collaborative relationships

Evidence

Student Achievement

- Fastt Math was implemented to help students master basic math facts.
- READ 180 (4th and 5th grade) and System 44 (3rd grade) students who read below grade level by two or more grades.
- Math Interventions for 2nd -5th grade students struggling in math.
- ELA Interventions for K-5th grade students struggling in reading.
- Compass Learning(3rd -5th)/Imagine Learning (2nd/3rd) are used for 30 minutes daily to provide differentiated instruction.
- A data wall was maintained to monitor student progress.
- Fine Arts Academic Assistance Program fostered individual students academically as well as socially.
- ELA and Math Benchmark Assessments are administered according to District schedule.
- Continued use of the SST (Student Support Team) to assist and provide interventions for struggling students
- On-going staff development for SC College and Career Ready Standards
- Literacy Assessment Portfolios for all students K-3 reading below grade level.

Teacher Quality

- All teachers were highly qualified, in that they met or exceeded the SC State requirements.
- Data conferences were held at regular intervals to discuss areas of strengths and weaknesses.
- Weekly PLC team planning meetings were held to discuss student needs and plans for the week.
- Quarterly math and ELA debriefings are held to discuss and analyze benchmark data.
- Staff developments were held to strengthen the use of data to guide instruction.

School Climate

- Business Partnerships
- PTA/SIC Programs
- Peer Mentoring Program
- Patriot Partners Mentoring Program (FDHS students)
- Grade Level Service Learning Projects
- Home/School communication
- Wellness Committee Award
- School Wide Health Fair
