Greatest Growth of all ACPSD elementary
schools.-2016, 2017, 2018

School Improvement Council Projects

One School, One Book

2020-2021 was the inaugural year of our One School, One Book program. For three weeks students, families, and classes shared a common reading experience with Katherine Applegate's *One and Only Ivan*. Every student, teacher and staff member was given a copy of the book and together we read, simply for the joy it provides.

North Augusta Elementary Writing Lab

The North Augusta Elementary writing lab allows students to experience the joy that is found in writing while improving their ability to communicate. Students write with a purpose to share, persuade, inform and entertain.

Mission Statement

At North Augusta Elementary School we are developing students who dream big, reach high and are ready to change the future by

Laying a strong academic foundation with consistent expectations across all grade levels

Providing opportunities for leadership and the development of character in all students

Nurturing and growing partnerships with parents and the community

SIC Report

This report from the School Improvement Council presents North Augusta Elementary's accomplishments and progress toward goals established in the 2019-2024 School Renewal Plan.

Student Enrollment: 660

Number of Certified Staff: 52

Percentage of classes taught by highly qualified staff: 100%

SIC Goals

Goal 1: Increase Student Achievement

The school used Fountas & Pinnell, Fastbridge, RI, and MI to monitor and guide instruction.

Computer assisted instruction provides every student a personalized learning path.

A School Intervention Team met regularly to support teachers in analyzing school and class-level achievement data.

All classroom teachers use small group intervention to supplement reading instruction with struggling readers.

ACPSD purchased laptop computers for students making us 1:1 in 2nd-5th grades to replace the existing computer labs. Kindergarten and 1st grade will be 1:1 in the 2021-2022 school year.

Goal 2: Increase Teacher Quality

Teachers attend professional development activities throughout the school year including weekly PLC meetings.

Reading teachers participate in Fountas & Pinnell and reading intervention trainings on administering and analyzing the assessments and results.

Goal 3: Improve School Climate

Parent Liaison, Mrs. Cathy Brunson acts as an active link between the school, parents, and the community.

The school's website and school Facebook page are maintained and parents receive a weekly newsletter filled with important information. Parents are given access to the PowerSchool Parent Portal allowing them to access student's grades and attendance information.
