## SIC Goals

### Goal 1: Increase Student Achievement

The school used Fountas & Pinnell, Edmentum, and RI and MI to monitor and guide instruction.

A School Intervention Team met monthly to support teachers in analyzing school and class-level achievement data.

All classroom teachers use small group intervention to supplement reading instruction with struggling readers.

New technology was purchased to upgrade and replace the existing computer labs for students.

### Goal 2: Increase Teacher Quality

Teachers attend professional development activities throughout the school year including weekly PLC meetings.

Reading teachers participate in Fountas & Pinnell and reading intervention trainings on administering and analyzing the assessments and results.

### Goal 3: Improve School Climate

Parent Liaison, Mrs. Cathy Brunson acts as an active link between the school, parents, and the community.

The school's website and school Facebook page are maintained and parents receive a weekly newsletter filled with important information. Parents are given access to the PowerSchool Parent Portal allowing them to access student's grades and attendance information.
