

Strategies For School Improvement

- Emphasize the safety and care of our students as priority one.
- Improve communication between school and parents.
- Develop Individual Graduation Plans for students.
- Offer Extra Help Sessions to students throughout the school day and after school.
- Design elective opportunities which enhance career clusters and high school majors.
- Use data teams to analyze assessments such as MAP, PACT, and HSAP. Plan instructional design based upon assessment data.
- Parental Portal available to all parents.

School Messenger in use to communicate directly to parents

School Report Card

The absolute and growth ratings for the state report card was "Excellent" for the 2012 Annual School Report Card.

Palmetto Gold Award Winner 2012-13.
