Strategic Actions & Title I Impact  
W. E. Parker utilizes Title I funding to implement high-quality curricula and support systems. Key initiatives that drove our recent success include:

- Savvas Implementation: 2024–2025 marked our first year with the Savvas curriculum, coinciding with our jump to a "Good" rating.
- iReady Success: Continued use of iReady (started in 2023–2024) has provided the data-driven pathways necessary for individual student growth.
- Leadership Stability: Under the continued leadership of Principal Goldman (since 2022–2023), WEP has maintained a consistent focus on academic rigor.
