

## Letter from our principal

Greetings from J-E-T Middle School - a student-centered community that prepares learners for the challenges of the future with an emphasis on skills necessary for success at the high school level. J-E-T Middle School promotes PRIDE – Personal Responsibility in Developing Excellence. The students and staff begin each day by reciting our school creed to remind each other to exhibit PRIDE and to practice the 3 R's – Respect, Responsibility, and always being Ready to Learn. J-E-T offers a plethora of opportunities for students to excel academically, athletically, and emotionally through an emphasis on educating the whole child. Academically, the administrators and teachers have worked to raise the rigor and relevancy of classroom instruction. J-E-T Middle School has established a focus on literacy during E-3 as well as implementing literacy strategies that are used in all classes. We have established a PRIDE notebook for every students to measure their weekly progress and set goals on a weekly basis. Our Fine Arts Department continues to achieve at the regional and state levels. The students have performed over the past year in many virtual settings for the Black History program and our Veterans Day program . The J-E-T PTO is very active in bringing our school family together through fundraisers such as dances and the annual Color Run. Our School Improvement Council has been established and has been instrumental in creating a vision for ways to bring our school and community together. We invite you to visit our award-winning school any time.

Sincerely,  
Debbie Courtney, Principal
