“Achieving Excellence Together”

Goals

Goal 1: Student Achievement

Increase percentage of students who meet or exceed SC READY assessments established benchmarks in grades 7-8.

Goal 2: Teacher/Administrator Quality
Recruit and retain highly qualified and effective teachers and administrators.

Goal 3: School Climate

Increase teacher, student, and parent satisfaction in the school’s learning environment, social and physical environment, and school-home relations.

Actions Planned

FMS will continue to involve students in intensive intervention programs that are prescribed based on student performance. The school will continue to engage teachers in meaningful professional development sessions that promote educator growth. The school will engage and partner with community businesses and organizations to plan and implement services.
