Fairfield Middle School: Grades 7 & 8

"Whatever It Takes—Every Student Counts!"

Purpose

South Carolina statute (Act 135 of 1993) requires school improvement councils to report to parents by April 30 each year the progress the school is making to achieve the goals and objectives of the strategic plan. It is a report unique to each school developed by the council to share the challenges and successes of the school, students, parents, and teachers for the current school year.
