Message from SIC Chairperson 2012-13

It has been an honor and pleasure to serve this year as SIC Chairperson. Our goal was to seek ways to improve Geiger and we did so by working together. I am excited about the relationship we have built with the community and the continuous effort to make everyone feel that Geiger is more than just a school. It's now a part of our families and community. I look forward to the Tiger Closet being fully operational so that we can meet the needs of Geiger's students and families. I believe to improve the school we must first improve ourselves, our students and our communities. Thank you for allowing me to serve as Chairperson.
