

# SIC Annual Goals

- ◆ Use data to drive instructional decisions and delivery of content
- ◆ Increase the rigor of academic core courses to improve the success rate of all students in meeting and exceeding state and high school readiness standards
- ◆ Use student-centered instructional strategies consistently to engage students in challenging assignments to develop a deeper understanding of content and skills
- ◆ Develop a comprehensive advisement program that includes effective transitions from elementary-middle to high school by involving parents in working with their students to set goals for post- secondary outcomes
- ◆ Provide opportunities to engage family, community, and other stakeholders in the school environment to enhance the academic, social, and emotional development of ALL students
