Fairfield Central High School

Dr. Tracie Swilley, Principal

Purpose

This Report to the Parents aims to highlight the progress the school is making toward achieving its goals. This report provides an update of goals, programs, activities, awards, and recognitions for students and teachers during the 2024-2025 school year.

Accomplishments

Continue to increase the number of students earning college and career-ready classification

Continued the dual enrollment partnerships with Midlands Technical College and Winthrop University to offer numerous college courses, resulting in 16 students graduating with an Associate's Degree or General Studies Certificate

Extended school-wide AVID implementation

Goals

Increase engagement opportunities for families and community partners

Establish professional learning communities to improve teacher and student outcomes

Implement research-based instructional strategies to create authentic learning experiences for all students

Increase the number of on-time graduates by providing targeted and intensive support to students.

Actions Planned

Use data from parent surveys to develop programs addressing the needs of the parent and school partnership

Increase the number of community and business partners to expand students' social, emotional, and academic outcomes

Special Recognition
