## Annual Report

The annual report is sent out to parents to summarize our goals, our progress towards them, and our achievements.

Our Title One identified needs are as follows:

- \* Smaller classes sizes
- \* Additional classroom computers and printers
- \* Improve student performance in ELA and math through the use of technology
- \* Teacher training for hands-on activities in math and science

Our main goal for the last ten years has been to meet Adequate Yearly Progress (AYP) in all 21 objectives. The 21 objectives include subgroups such as African/American, students who qualify for subsidized meals, special needs' students to be proficient in ELA and math for subgroups on the PASS tests.

Towards those goals, we have implemented:

- \* An after school academic program for students scoring not met.
- \* Smart Start Reading and Math Club in the mornings
- \* Focus Time
- \* Staff development in analyzing scores

and guiding instruction, in differentiated instruction, in building positive student relationships, and on ways to integrate technology in the classroom

- \* Employing a part time ELA Coach and a full time Science/Technology Coach
- \* Attendance/absence interventions
- \* A technology rich environment for all students
- \* A Science Lab
- \* Two computer labs
- \* Offering a variety of after school clubs
- \* An award winning LEGO ROBOTICS Club

## MISSION STATEMENT

The mission of Moore Intermediate School is to provide a quality education for grade five and grade six students through the use of team teaching, cooperative learning, character education, and innovative teaching methods.
