SAFETY

Student safety is a top priority. Our doors are locked at all times and visitors are required to check in at the main office upon entrance. Classroom visits are by appointment only and chaperones and volunteers must complete annual background checks. The school conducts monthly fire drills and lock down drills as well as state-wide tornado and earthquake drills. Carver has school wide security cameras and radios that are used for communication. Additional safety measures include a callback system, Ident-a-Kid, bullying prevention lessons, and a character counts program.
