The mission of Warrenville Elementary School is to provide its students with educational tools and skills necessary to become productive citizens in a global society by setting high standards in academic performance and student behavior.

SIC Annual Goals

By the Spring of 2013, 70% of the students in grades 3-5 will score Met or Exemplary on the PASS ELA subtest and 65% of the students will score Met or Exemplary on the PASS Math subtest. Our school report card indicates that 68.6% scored Met or Exemplary on the PASS ELA subtest and 63.4% scored Met or Exemplary on the PASS Math subtest.

By the Spring of 2013, the school will maintain a 100% highly qualified teaching staff as defined by No Child Left Behind. Presently, 100% of our staff is highly qualified.

Measure of Academic Progress (MAP testing) is administered each year in cycles: fall, winter, and spring. Teachers use MAP scores to assist them in differentiating instruction. This information is used to plan instructional strategies to target and support areas of academic weakness and continue to enrich academic strengths. Teachers at Warrenville track student MAP data in data folders which are the building blocks of tracking student data school wide. This process plays an integral part in determining how to achieve outstanding results on the PASS assessment.
