Outstanding Features

McLaurin Elementary is a community where expectations are high, and everyone is encouraged to be a lifelong learner. Some of the many features include programs that focus on creating and maintaining a love of reading: Reading Recovery, Accelerated Reader, STAR testing, Literacy Lab, and flexible Media Center times. Our students have read over 65,000 books this past year. We also have many technology-infused classrooms: two full-time computer labs, SCETV Video Streaming programming and I-Pads for classroom use.

Through our many curricular areas and a warm, caring school climate, students are given many opportunities for success. Many extra-curricular activities are offered to students including:
