### Purpose of SIC

The School Improvement Council (SIC) serves as an advisory committee to the school. The members of the School Improvement Council, (SIC) have taken an active role in the decision making and planning process here at Savannah Grove. We utilize input from a variety of Data sources as well as input from our parents, teachers, students and community members to improve student achievement for all students. We are always eager to provide information to all of our stakeholders regarding any and all decisions made.
