ESEA Waiver Report Card

For the first time in South Carolina's history, our state is giving a letter grade instead of Adequate Yearly Progress (AYP) for student improvement and achievement. All schools are graded in the areas of ELA, Math, Science, and Social Students. This year, the average mean score of 635 had to be achieved in each areas in order of schools to show adequate yearly progress. All schools receiving a "C" or better is considered a school that has met progress.

SGES ESEA Waiver Report Card Score is: 72.1 or a grade of "C" for the 2013-14 school year. We are proud of our students and their achievement!
