## ESEA Waiver Report Card

Our state is giving a letter grade instead of Adequate Yearly Progress (AYP) for student improvement and achievement called ESEA Waiver Report Card. All schools are graded in the areas of ELA, Math, Science, and Social Studies. This year, the average mean score of 640 had to be achieved in each area in order for schools to show adequate yearly progress. All schools receiving a "C" or better are considered schools that have made progress.

SGES ESEA Waiver Report Card Score is: 77 or a grade of "C" for the 2014-15 school year. We are proud of our students and their achievement!

## PURPOSE OF SIC

The School Improvement Council (SIC) serves as an advisory committee to the school. The members of the School Improvement Council (SIC) have taken an active role in the decision making and planning process here at Savannah Grove. We utilize input from our parents, teachers, students and community members to improve student achievement for all students. We are always eager to provide information to all our stakeholders regarding any and all decisions made.
