

Our Vision

The vision of Wallace Gregg Elementary School is to foster a learning environment to enable every child to reach his or her greatest potential.

2022- 2023 SIC Annual Goals

Goal 1: By 2024, the percentage of responses of teachers, parents and students satisfied with home-school relations will increase 67% to 84%.

Goal 2: By 2024, the percentage of students scoring meets or exceeds in ELA as measured by the SC Ready Assessment of State Standards in grades 3-5 will increase from 18% to 57%.

Goal 3: By 2024, the percentage of students scoring meets or exceeds in Math as measured by the SC Ready Assessment of State Standards in grades 3-5 will increase from 22% to 72%.

Wallace Gregg Elementary School is a Title I school serving 279 students in 5K- 5th grades.

The WGE School Improvement Council meets monthly. Any interested parents and community members are invited to attend. SIC Meetings are announced in the school newsletter and parent calendar.

Thank you for your continued support!

2022- 2023
Wallace Gregg Elementary

Report to Parents

"This report is issued by the Wallace Gregg Elementary School Improvement Council in accordance with South Carolina law to share information on the school's progress in meeting various goals and objectives, the work of the SIC, and other accomplishments during the school year."

Tara King, Principal

Academic Programs

Our school is implementing many effective practices and programs that we would like to share with you, such as:

- Golden Eagle University is parenting class available to all guardian of students. The program, Tools for Teachers, equips parents with the skills to foster a respectful, cooperation household while maintaining loving relationships with their children. Evening sessions are held throughout the school year, and participating guardians are invited to a graduation ceremony upon completion of all sessions.
- Reading Recovery is a short-term intervention for 1st graders having extreme difficulty with early reading and writing. Specially trained teachers work individually with students in daily 30 minute lessons lasting 12 to 20 weeks
- Lexia and Dreambox are Computer-Based Instructional programs. Lexia is a technology based literacy program for students in grades pre-K-5 that provides differentiated literacy instruction for students. Dreambox is an online math program that provides rigorous individualized lessons for students.
- 4th Grade math tutoring program targets fourth-grade students. Students receive additional support in math. Data used from universal screeners guides the instruction students receive. This program is facilitated by the Curriculum Coordinator and Technology Coach, Ms. Davis.
- Moving Up Academy is an after-school program targets third-grade students. Students receive additional support in reading, writing, and math. This program is facilitated by the music teacher, Mr. Jackson.
- 3rd Grade tutoring is a Tutoring Program at WGE that was developed to support students in Phonics using Orton-Gillingham's Curriculum and Strategies. The students work in a small group setting after school to focus on their targeted needs. Universal Screeners were used to select students for this program. This program is facilitated by Mrs. Pressley, Literacy Coach.

SC Ready Student Achievement Data

Math	2022 % Scoring Meets & Exceeds	2021 % Scoring Meets & Exceeds
3rd Grade	25%	17%
4th Grade	17%	14.9%
5th Grade	7%	6.1%

ELA	2022 % Scoring Meets & Exceeds	2021 % Scoring Meets & Exceeds
3rd Grade	31%	22.7%
4th Grade	25%	22.2%
5th Grade	38%	15.2%

Highlights

2022 - 2023 Teacher of the Year: Carolyn Book
