## "The Best Little School in the Country!"

Oakwood-Windsor Elementary is a Title I school in a rural section of Aiken County that borders Barnwell County. We serve a diverse population of approximately 440 students in 4K through 5th grade. The nurturing faculty and staff at Oakwood-Windsor is committed to our mission of collaboratively engaging and meeting the needs of all stakeholders to ensure academic, social, and emotional growth for our entire Oakwood-Windsor community. We are helping all students develop the World Class Skills of the Profile of the South Carolina Graduate by working in partnership with our community to educate the whole child.

**We believe that it is essential and most effective when students, parents, faculty, staff, and the entire community work together as partners in our Wise Owls' educational journey.**
