## A Message From the Principal

At DREM-DCL we believe in the power of partnerships. Building partnerships with the community and with our children's homes is vital to help our children grow personally, academically, and socially. Today, research suggests that school and community relationships with parents and extended family is a direct link to both academic as well as emotional growth and success. Keeping those lines of communication open is key. I encourage you to visit our parent center in Room 123 . The middle school years are both exciting and challenging. Our teachers and staff are here to assist you any way they can. Our parent liaison for this year is Erica Speller at 843-374-8651.

### Resources Available in the Parent Center :

Computer & Printer
