Our Vision

Our vision is to create a school culture that exhibits:

- High expectations for all students
- A relevant, rigorous and an engaging curriculum
- Positive relationships between all stakeholders
- A safe, student-centered learning environment

Our Mission

The mission of Lake City Early College High School is to graduate students who are equipped with the tools necessary to achieve success.

A Message From the Principal

My name is Mr. Jason Cook and I'm so excited to introduce myself as the principal of Lake City Early College High School. Being a former graduate of Lake City High School, I am honored to now be the principal of my alma mater. I have the opportunity to work with a great administrative team as well as great teachers and support staff. It is our goal for all students to graduate from LCHS on time and have a plan for their future. Whether they plan to attend college, the military, or join the workforce our goal is to give them every opportunity to be successful. Let us all continue to work together and bush our young people to be the best they can be. #LCStrong
