21st Century Learning Community  
Grant Recipient*

Building Excellence: Every Child,  
Every Chance, Every Day!

## Priorities for 2017-2018

### 1. Student Achievement

- Focus in all content areas with high priorities in *literacy*
- Continue differentiated instruction for all students.
- Continue the use of MAP, I-Ready, DRA, teacher made assessments, and data analysis to inform instructional decisions
- Reading Interventionists for 5K, 1st, and 2nd grade students
- Weekly Reading Challenges

### 2. School Climate

- Expand the Character Education program
- Implement a mentoring program
- Involve students in positive behavior incentives
- Weekly Star Students from each class
- Monthly Incentive Days

### 3. Parent Involvement

- Continue to increase community member involvement in school activities
- Expand our partnership with parents and community
- Invite readers in for Man Up Monday

## LCECC IS A UNIQUE PLACE TO LEARN

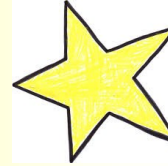

We are a K-2 school serving families in the heart of Lake City, South Carolina. We have a total enrollment of 400 students. Our faculty and administration are comprised of 100% highly qualified, certified teachers and administrators. We are incorporating the Shining S.T.A.R. Program which encourages all of our students to be STARS!

**S** - Strive for excellence

**T** - Take learning seriously

**A** - Always follow the rules

**R** - Respect & care for people and belongings

• Arts Integrated lessons foster student engagement and promote learning.

• Two school performances each school year offer students opportunities to experience the thrill of performing on stage for a large, community audience.

• Artists in Residence provide workshops and performances to enrich student understanding and interests in the arts.

• Our Early Bird Computer Lab offers students differentiation in reading and math.

Our 21st Century After School program serves 100 students in kindergarten through second grade. Students have the opportunity to participate in weekly activities with Moore's Farm, the 4H Program., and STEAM activities with robotics.

Our Parenting Academy provides assistance and support to parents on a variety of topics—academics, social and emotional skills, and behavior concerns.
