A Message from the Principal

This year at Lake City Early Childhood Center, we are going on a special adventure. Oh the places we will go with your child as we

Principal Mary Howard

dive into learning through literacy-rich activities and project-based learning! Join us by being involved as much as you can: attending

events when possible, asking them about what is going on at school daily, helping your child with their assignments, and most of all reading with your child as much as you can. We look forward to continuing to work with you and your child as we continue our journey in "Building Excellence: Every Child, Every Chance, Every Day!"

Proud Principal,

Mary Howard
