Our Programs

The Leader in Me is Franklin Covey's whole school transformation process. It teaches 21st century leadership and life skills to students and creates a culture of student empowerment based on the idea that every child can be a leader.

We are a proud Arts in Basic Curriculum School where our core content lessons are infused with the arts.

In conjunction with ArtsNOW we provide instruction that emphasizes the arts in education and creates a dynamic learning experience that promotes teacher confidence and improves the way students engage.
