## A Message from the Principal

Our theme for the 2015-2016 school term is, “Building

World-Class Learners”. I, along with the Main Street staff, plan to accomplish this by fostering an environment where effective teaching and learning happens on a continuous basis, having an ongoing focus on utilizing data to drive instruction, strengthening collaborative teams to assist in increasing student achievement, successful implementation of South Carolina’s Career and College Ready Standards, creating and maintaining a safe learning environment, character development, sharpening 21<sup>st</sup> century skills, and positive community collaborations and involvement.

## Main Street Elementary
