## A Message from the Principal

Our theme for the 2016-2017 school term is, “Building World-Class Learners By Providing World-Class Instruction”. I, along with the Main Street staff, plan to accomplish this by fostering an environment where effective teaching and learning happens on a continuous basis, having an ongoing focus on utilizing data to drive instruction, strengthening collaborative teams to assist in increasing student achievement, successful implementation of South Carolina’s Career and College Ready Standards, creating and maintaining a safe learning environment, character development, sharpening 21<sup>st</sup> century skills, and positive community collaborations and involvement.
