School Improvement Council:

The School Improvement Council is composed of parents who are elected and teachers elected by teachers. The principal may also appoint additional representatives from the community.

The purposes of the School Council are:

- To gain knowledge concerning the purpose and goals of the school.
- To disseminate information to other parents and citizens within the community to
- Clarify information concerning the school programs.
- To offer for consideration to the school principal suggestions concerning program improvements with respect to students' needs and program operations within the individual school, area, or district.

The Focus of the School Council are:

The School Improvement Council (SIC) supports the school's five-year improvement plan by focusing on improving student achievement, attendance, behavior, and family engagement. Its goals align with the plan's priorities for academic growth, a positive school climate, and stronger school-community partnerships.

This year, the SIC supported key strategies including weekly PLCs, professional development, i-Ready Math PD, Leader in Me PD, data dives, and parent engagement efforts. The council also reviewed student data and provided input to help guide ongoing school improvement efforts.

School Improvement Council Members:

Chairperson, Gloria Lester (Parent)
Sheretta Andrews (Parent)
Va'Tia Davis (Teacher)
Shannon Franklin (Reading Coach)
Tykisha Cooper (Community Member)
Peggy Haygood (Community Member)
Dr. Bridget Fleming (Principal)
Christina Davis (Assistant Principal)

At Main Street Elementary, we are committed to developing World Class Skills aligned to the Profile of the South Carolina Graduate. Through innovative teaching and a strong focus on student success, we prepare every child for achievement in school and beyond.

Our strength lies in meaningful relationships, engaging instruction, enrichment opportunities, a supportive culture, and the dedication of our staff. We provide strong, standards-based instruction supported by technology and data-driven practices. Students receive targeted support through MTSS, small group instruction, and interventions such as Read Naturally Live and Accelerated Reader to ensure their individual needs are met.

Our MSE 2025-2026 Sneaker Ball was a huge success! We had an awesome time filled with fun, laughter, and great memories.

What a GREAT night of learning at Duke Energy STEM Science Night here at MSE!

Beyond academics, students have access to a variety of enrichment opportunities, including clubs, arts programs, athletics, and afterschool experiences that support their interests and talents. Leadership development remains a priority through our Leader in Me program, where students take on meaningful roles and responsibilities. Our commitment to leadership was recognized with Lighthouse Certification.

We always celebrate our students for their academic achievements.

Our teachers utilize innovative resources like the Ready Curriculum and collaborate through Professional Learning Communities and instructional coaching to continuously improve instruction.

Our students and staff had an awesome time today celebrating music through the centuries! Hot Horns-Baystreet Brassworks delivered an engaging performance featuring songs from many different time periods, giving our students a unique opportunity to experience how music has evolved over time.

This work is supported by a strong PBIS framework that promotes a positive school culture centered on being ready, responsible, and a leader.

Students have been enjoying their prizes from their iReady Spin the Wheel Incentive!

At Main Street Elementary, we are proud to provide a well-rounded, high-quality education in a nurturing environment. We remain committed to continuous growth and excellence for every student.

Our 5th grade and gifted and talented students had an amazing time yesterday participating in All Things STEM Day, sponsored by the Dr. Ronald McNair Committee. From drones and flight simulations to so much more, students were fully engaged and truly enjoyed every activity.

Mission Possible: Striving to be great at 3-1-8!
