

JPT Creative Arts & Science Magnet School Objectives

1. Prepare students for college with rigorous 21st century courses in grades 6-9 with a phase-in approach to expand through grade 12 by the 2021-2022 school year
2. Provide arts integrated learning experiences
3. Engage students in problem and project based lessons
4. Increase diversity among minority and isolated student groups
5. Build and strengthen connections across the community
6. Provide high quality, rigorous professional development

\$9.1 million MSAP Grant

Since being awarded the \$9.1 million MSAP grant, JPT and Florence School District Three have contracted professionals to renovate and redesign facilities in alignment with the objectives and vision of the MSAP

To date, the planning team of JPT and FSD3 has engaged in the following preparations:

- Purchase of state-of-the-art technology and resources
- Building renovations through the architectural firm of FW Architects, Inc., to include general facilities upgrades and significant renovations towards the vision of JPT
- The hiring and training of personnel
- School and district marketing with a television commercial, billboards, and print media
- Enrollment and admissions preparations using a high quality, computer-based lottery program
