A Message from the Principal

This year at J. Paul Truluck Intermediate School, we are committed to growing and learning every day.

Principal Jeanette Altman

We have several goals this year including teaching lessons that are engaging, literacy-rich and project-

based! Please partner with us in helping your child at school by making sure they are present at school on time, every day, checking that they are prepared, checking assignments and grades in PowerSchool (you can download the App for your Smartphone), and asking them about what is going on at school daily. Sixth graders are not too old for you to read to them and with them! We look forward to continuing to work with you and your child as we continue to make sure they GROW and LEARN every day!!

JPTIS Principal,
Jeanette Altman
