A Message from the Principal

This year at J. Paul Truluck Intermediate School, we are committed to growing and learning every day.

Principal Jeanette Altman

We have several goals this year including teaching lessons that are engaging, literacy-rich and problem-

based! Please partner with us in helping your child at school by making sure they are present at school on time, every day, checking that they are prepared, checking assignments and grades in PowerSchool (you can download the App for your Smartphone), and asking them about what is going on at school daily. Sixth graders are not too old for you to read to them and with them! We look forward to continuing to work with you and your child as we continue to make sure they GROW and LEARN every day!!

JPTIS Principal,
Jeanette Altman

JPTIS: Committed to Growing and Learning Every Day!

Below is a summary of our school's current performance using the Measures of Academic Progress (MAP) Test for ELA and Math:

Subject	Spring '17 Mean Avg.	Spring '18 Mean Avg.	Growth
ELA	203	207.3	+4.3
Math	208.8	212.2	+3.4

Current Initiatives and Implementations for Continuing Our Growth:

- Balanced Literacy in English/Language Arts Classes Implemented School Wide
- Literacy and STEM Coaches for Staff Support hosting weekly Professional Learning Community Meetings
- Math and Literacy Intervention working with students to provide additional support
- Reading Counts Program Initiative
- Project and problem-based learning to teach students how to use the Engineering Design Process
- STEM/PBL Showcase to integrate Science, Technology, Engineering and Math.
- Integrate the Arts to allow students the ability to show mastery in creative ways
