We are incorporating Leader in Me and the PBIS program which incorporates our school-wide expectations.

Do What Is Right!

Arts Integrated lessons foster student engagement and promote learning.

Two school performances each school year offer students opportunities to experience the thrill of performing on stage for a large community audience.

Our 1 to 1 ratio with Chromebooks offers students differentiation in Reading and Math through the use of Dreambox and Lexia.

Our *21st Century After School* program serves 100 students in kindergarten through second grade. Students have the opportunity to participate in weekly activities with Moore's Farms, the 4H program, and STEAM activities including robotics.

Our Parenting Academy provides assistance and support to parents on a variety of topics — academics, social and emotional skills, and behavior interventions.

Our ELL Parent Academics allow multi-lingual families to better assist their child and assist with their education.
